INDIAN ADMINISTRATIVE SERVICE (EXTENSION TO STATES) SCHEME.

The Government of Mysore have agreed to participate in the Indian Administrative Service Scheme and to establish a cadre in the same way as Provinces (now States) have done. Accordingly, the scope of the Indian Administrative Service Scheme is being extended to the Mysore State.

The salient features of the Scheme are summarised in the following paragraphs:-

(1) The I.A.S. has been organised as an All-India Service in order to perform all the functions (other than Judicial functions) formerly performed by the Indian Civil Service.

The Scheme contemplates, among other matters, the eventual establishment on an equal basis of a system of interchange of Officers between the Central Government and the Government of the States.

(2) Mysore would have an independent I.A.S. cadre of its own.

(3) The strength of the cadre has been fixed and will be found as an Appendix to this Note.

(4) The Junior and Senior ~~SCI~~ Scales of pay for the Indian Administrative Service will be as follows:-

Junior Scale:
Rs.350-400-450-500-540-30-600--E.B.30-870-40-950(19 yrs)

Senior Scale--
Rs.800 (6th year or under) -50-1,000-60-1,300-50-1,800 (25 years).

(5) The general conditions of service applicable to the Officers of the I.A.S. will be notified separately.

(6) For the initial constitution of the cadre, recruitment would be: (a) from the existing incumbents of posts included in the I.A.S. cadre; (b) from the open market under the Emergency Recruitment Scheme.

(7) The claims of all the existing incumbents holding posts of Deputy Commissioners and above and Assistant Commissioners of certain categories will be considered.

(8) The Special Recruitment Board would interview the candidates and consider their cases in any other manner as they deem fit and place them in two separate lists. The first list would contain the names of officers who are considered immediately suitable for appointment to the Indian Administrative Service. The second list would be of officers who though not immediately suitable show sufficient promise to attain the I.A.S. cadre within a period of five years. In addition to these two lists, a third list would also be prepared of persons who are not immediately suitable for the I.A.S. and may or may not be suitable within a period of five years, but who for good and sufficient reasons have claims for permanent continuance in the I.A.S. posts which they hold. Officers included in the List I will be immediately appointed to the I.A.S. Those in List II will be appointed to the I.A.S. as a result of periodical review in the course of the next five years, while those in List III will continue in their posts till they retire, without being absorbed in the I.A.S.

For this purpose, the posts held by officers in List III and also by officers in List II till they are absorbed in the I.A.S. would be temporarily excluded from the I.A.S. cadre. The remaining vacancies will be filled by open market recruitment on the basis of the Emergency Recruitment Scheme. A fresh opportunity will be given to persons domiciled in the State to

to apply to the Special Recruitment Board.

(9) The I.A.S. Cadre of the State is to be normally maintained on a permanent basis (a) by direct recruitment on the results of the Annual Competitive Examination held by the Union Public Service Commission on an All-India basis for all the cadres of the I.A.S., and (b) by promotion to each State cadre from amongst officers of the State Civil Services concerned.

(10) Twenty-five per cent of the senior posts in the cadre of each State will be earmarked for promotion of officers of the States' Civil Services concerned. The remaining posts will be declared to be direct recruitment posts and filled on the results of the Competitive Examination referred to above. The rate of normal annual recruitment is prescribed in the case to each cadre in the Appendix to this Note.

(11) In fixing the initial pay of the officers selected for the I.A.S., due consideration would be given to the length of service, training, etc., of the officers selected. The exact xxxx method of giving effect to this principle in respect of seniority will be settled after selections are made.
